

Sri M. N. NAGHNOOR.—Sir, this road was not in the hands of one agency. First it was in the charge of D.L.B. Subsequently it became a P.W. road and even there, it was transferred from one division to another. This also has been responsible for this delay.

†Sri K. S. SURYANARAYANA RAO.—Will the Government assure whether it will be done during the current year?

†Sri H. M. CHANNABASAPPA.—The position is like this. This road from Bukankere to Akki-Hebbal was sanctioned up to 14 miles. A road from Chinakurali to Akki-Hebbal has been formed at an estimated cost of 30,000 and the revised estimate for Rs. 44,000 is before the Government and it will be sanctioned and the work will be completed. The other portion of the road which is in Pandavapura area, belongs to the District Board. That was a neglected portion and Government will consider the question of taking over the entire road and improving it and placing it at the disposal of the people for traffic.

ಶ್ರೀ ಜಿ. ಎಸ್. ಬೊಮ್ಮೇಗೌಡ.—ನರ್ಕಾರದವರು 1958ನೆಯ ಇಸವಿಯಲ್ಲಿ ಈ ರೋಡುಗಳ ರೀ-ಕ್ಯಾಪಿ ಫೀಲ್ಡ್ ಮಾಡಿದ್ದರಲ್ಲಿ ಈಗ ಆ ರಸ್ತೆಯಾಗಿ ಸೇರಿದೆ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಆ ರಸ್ತೆಯ ಕೆಲವು ಭಾಗ ಮಳವಳಿಯ ಸಬ್‌ಡಿವಿಷನ್ನಿಗೆ ಸೇರಿದೆ. ಇನ್ನು ನರ್ಕಾರದವರ ನೇತೃತ್ವದಲ್ಲಿ 34 ಸಾವಿರ ರೂಪಾಯಿಗಳ ವೆಚ್ಚದ ರಸ್ತೆ ಇದೆ. ಇದಕ್ಕೆ ಇನ್ನೂ ಯಾವ ವಿಜ್ಞಾನಿಯೂ ಇಲ್ಲ. ಈಗ ಈ ರಸ್ತೆಯ ಸಂಪೂರ್ಣ ಅಂದಾಜು ತಯಾರಾಗಿದೆ.

ಶ್ರೀ ಎಂ. ಕೆ. ಬೊಮ್ಮೇಗೌಡ.—ಅಲ್ಲಿಯ ಗ್ರಾಮ ಸರುಗಳಿಗೆ ಈ ರಸ್ತೆಯ ಅಗತ್ಯ ಬಹಳವಾಗಿದೆ ಯೆಂಬುದು ತಮಗೆ ಗೊತ್ತಿದೆಯೇ?

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಆ ವಿಷಯವನ್ನು ತಾವು ಹೇಳಿದ್ದರೂ ಅದು ನಮಗೇ ಗೊತ್ತಾಗುತ್ತದೆ.

Completion of the Construction of Haralur new Tank in Tumkur Taluk.

*Q.—393. Sri K. L. NARASIMHAIAH (Hebbur).—

Will the Government be pleased to state:—

(a) when the construction of Haralur New Tank in Tumkur Taluk was commenced ;

(b) the reasons for the delay in completing the same?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) On 23rd December 1955.

(b) The piece-worker to whom a portion of the work was entrusted did not start it in early stage and eventually pleaded his inability to take up the work. Hence the delay.

ಶ್ರೀ ಕೆ. ಎಲ್. ನರಸಿಂಹಯ್ಯ.—ಹರಳೂರುಕೆರೆ ಎಸ್ಪಿಮೇಟಾದುದು ಯಾವಾಗ ಮತ್ತು ಎಷ್ಟು ಕೆಲಸ?

†ಶ್ರೀ ಎಂ. ಎಚ್. ನಾಗನೂರ್.—67 ಸಾವಿರ ರೂಪಾಯಿಗಳಿಗೆ ಅಂದಾಜಾಗಿದೆ. ಅಂದಾಜು ಮಂಜೂರಾದದ್ದು 1955ನೆಯ ಜನವರಿ 24ನೆಯ ತಾರೀಖಿನಲ್ಲಿ.

ಶ್ರೀ ಕೆ. ಎಲ್. ನರಸಿಂಹಯ್ಯ.—ಹಾಗಾದರೆ ಈ ಕೆಲಸ ಮಧ್ಯೆ ನಾಲ್ಕು ವರ್ಷಗಳು ನಿಂತುಹೋಗಲು ಕಾರಣವೇನು?

Sri M. N. NAGHNOOR.—Villagers came with the offer that they would take up the work and complete it. One of the villagers took up the work and later said : 'I am not able to do this work. Hence I surrender it'. So, the Government had to call for tenders three times—once in 1958 September and November and 1959 January. So far, there has been no response. As soon as any offer comes, it will be considered.

†ಶ್ರೀ ಕೆ. ಎಲ್. ನರಸಿಂಹಯ್ಯ.—ಈಗ ವೀನ್-ವರ್ಕಿನಲ್ಲಿ ಎಷ್ಟು ಕೆಲಸವಾಗಿದೆ?

†Sri H. M. CHANNABASAPPA.—One of the main reasons is that at the time this work was sanctioned, the system of entrusting the contract works to those who own lands under the tank, was prevailing. At that time one of the raiyats came forward and took up the work. These people work only after the agricultural season. On this account, there has been delay in this work. Later on Government did not think it expedient to give such works to raiyats and now that system has been given up. We have so far had an outlay of Rs. 27,244 on this item. The right flank has already been completed. Only the central portion has got to be tackled. The raiyats who took up the work did it for some time. We had to cancel the contract and for that there are so many legal difficulties. Government is now fully aware that if such works are entrusted to raiyats, it will not be done quickly.

ಶ್ರೀ ಕೆ. ಎಸ್. ನರಸಿಂಹಯ್ಯ.—ಈ ಕಾರ್ಯ ಗೋಡೆ ಮೋರ್ ಪುಡ್ ಯೋಜನೆಗೆ ಹೆಚ್ಚು ನೆಹಕಾರಿ ಯಾಗುತ್ತದೆಂಬ ಅಂಶ ತಮಗೆ ಗೊತ್ತಿದೆಯೇ?

Sri H. M. CHANNABASAPPA.—Well, it does.

ಶ್ರೀ ಕೆ. ಎಸ್. ನರಸಿಂಹಯ್ಯ.—ನಾವೆಷ್ಟೆಂದು ವರ್ಷಗಳಾದರೂ ಒಂದು ಕೆರೆ ಅಗಲಲ್ಪಟ್ಟೆಂದರೆ ಅದ ರಿಂದಲೇನು ಪ್ರಯೋಜನ ಬಂದಕಾಗಾಯಿತು?

Sri H. M. CHANNABASAPPA.—It is true. But many a time, Hon'ble Members press that the raiyats should be given the contract works. Government was reluctant. But in order to respect the feelings of responsible Members, Government tried this as an experimental measure, and here is the result. Hereafter at least, Hon'ble Members will not come forward with recommendations that raiyats should be given the work.

ಶ್ರೀ ಜಿ. ಎಫ್. ಪುಟ್ಟಣ್ಣ.—ತಾವು ಈಗ ಮಧ್ಯೆ ನಡೆ ಯತಕ್ಕ ಕೆಲಸ ಮಾತ್ರ ನಿಂತಿದೆ ಎಂದು ಹೇಳೋಣ ಪಾಯಿತು. ಹಾಗಾದರೆ ಏರಿಯ ಎರಡು ಕೊನೆಗಳ ಕೆಲಸವೂ ಕಟ್ಟಿ ಪೂರೈಸಲಾಗಿದೆಯೆಂದು ಅದರ ಅರ್ಥವೋ?

Sri H. M. CHANNABASAPPA.—The right flank has almost been completed to the top level and also the left flank. Only the central portion has to be tackled.

ಶ್ರೀ ಕೆ. ಎಸ್. ನರಸಿಂಹಯ್ಯ.—ಈ ಕೆರೆ ಕಟ್ಟುತ್ತ ಬಗ್ಗೆ ನಿಧಾನವಾಗುವುದಕ್ಕೆ ಕಾರಣ ಒಬ್ಬ ಸೂಪರಿಂ ಟೆಂಡಿಂಗ್ ಇಂಜಿನಿಯರು ಈಗಿರತಕ್ಕ ಪ್ಲಾನನ್ನು ಒಪ್ಪದೆ ಧಾನ್ಯಕ್ಕೆ ಎಡಗಡೆ ಮಾಡಬೇಕೆಂದೂ ಮತ್ತೊಬ್ಬರು ಬಲಗಡೆ ಮಾಡಬೇಕೆಂದೂ ತಕರಾರು ಬಂದು ನಿಧಾನವಾಯಿತೆಂದು ಕೇಳಿಬರುತ್ತಿದೆ. ಇದು ನಿಜ ವಲ್ಲವೇ?

Sri H. M. CHANNABASAPPA.—As regards responsibility for the delay, records do not disclose that the delay is on account of officers, but it is on account of the contractors who took up the work and the defect in the system. That defect will be rectified.

State Seed Farms in South Kanara District.

*Q.—408. Sri V. SRINIVASSHETTY (Coondapur).—

Will the Government be pleased to state :—

(a) the number of State Seed Farms required in the District of South

Kannara according to the District Agricultural authorities ;

(b) how many have been established so far ;

(c) how many more are proposed to be established ;

(d) when are they likely to be established ?

A.—Sri K. F. PATIL (Minister for Agriculture and Food).

(a) Four Seed Farms were proposed by the District Agricultural Officer.

(b) One.

(c) Two.

(d) The second Seed Farm proposed to be started at Belthangadi in Belthangadi Taluk is likely to be established during this year itself. The third Seed Farm would be started during 1959-60.

Sri V. SRINIVAS SHETTY.—Sir, is it a fact that a sum of Rs. 4.05 lakhs was allotted during the Second Five-Year Plan by the then Madras Government for the South Kanara area for starting seed farms ?

ಶ್ರೀ ಕೆ. ಎಫ್. ಪುಟ್ಟಣ್ಣ.—ಮದ್ರಾಸಿನವರು ಎಷ್ಟು ಅರಾಬ್ ಮಾಡಿದ್ದರೆಂಬ ಕಲ್ಪನೆ ನನಗಿಲ್ಲ ಈಗ ನಾಲ್ಕು ಸೀಡ್‌ಫಾರಂಗಳನ್ನು ಮಾಡಬೇಕೆಂಬ ಅಭಿಪ್ರಾಯವಿದೆ.

Sri V. SRINIVAS SHETTY.—Even after the reorganisation of States it is stated—I will read one paragraph—Will the Hon'ble Minister confirm it?—

“It is proposed to start 20 seed farms in erstwhile Mysore, 14 in Bombay Karnatak, 16 in Hyderabad Karnatak and 5 in South Kanara.”

Is it correct Sir, that five seed farms had been sanctioned to South Kanara ?

Sri K. F. PATIL.—But when we actually start, we find out the necessity of the area and actually it may not be necessary to have five farms. It may be sufficient to have only four.

Sri V. SRINIVAS SHETTY.—From 4.05 lakhs allotted from Madras Government this Government proposed to start five Seed Farms. When did this Government change this opinion and say that only four are necessary ?
